PHASES OF A CHANGING IMAGE

Among South Oak Cliff's "Changing Image" Are Individuals Within An Educational Environment

Working, Playing, And Enjoying Ourselves Together

Each One Facing Different Life Experiences . . . And Learning From The Mistakes

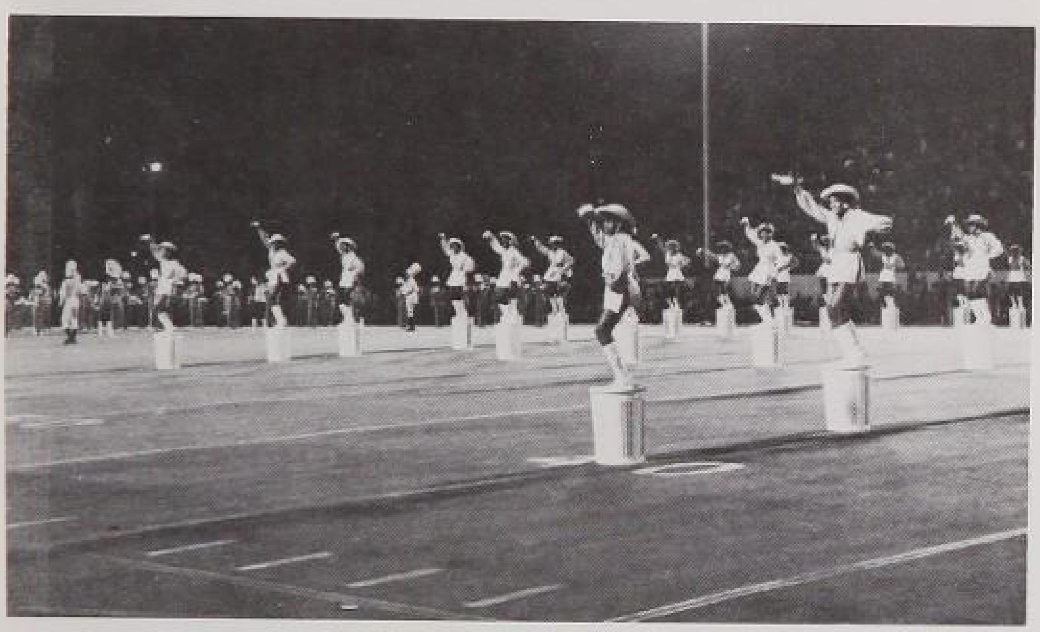

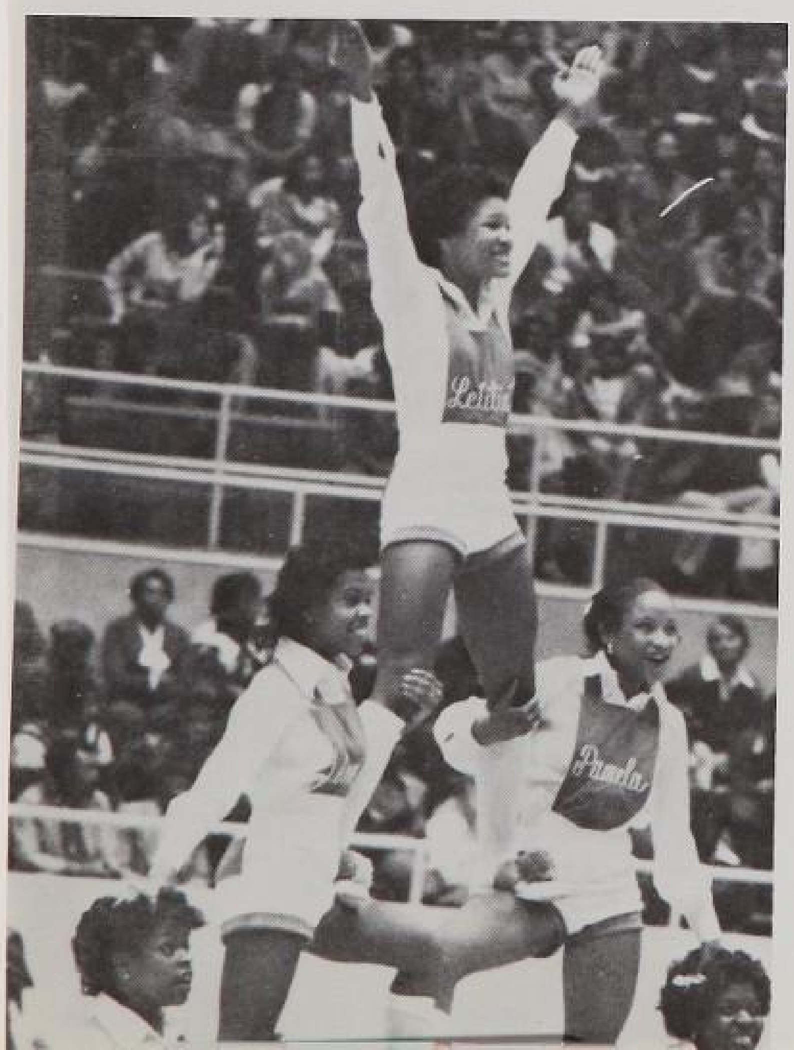

Setting Goals And Experiencing The Joy of Achieving Them . . . Success

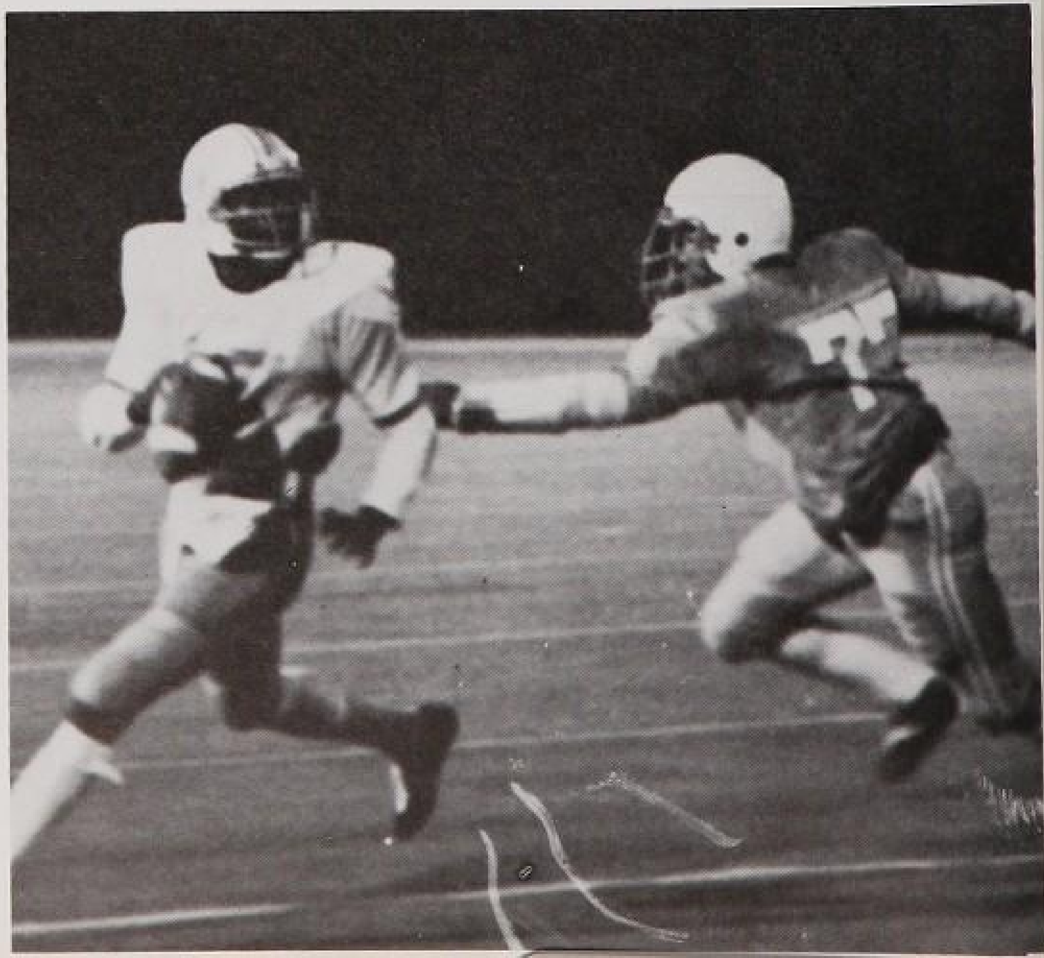

The Joy Of Winning In Life

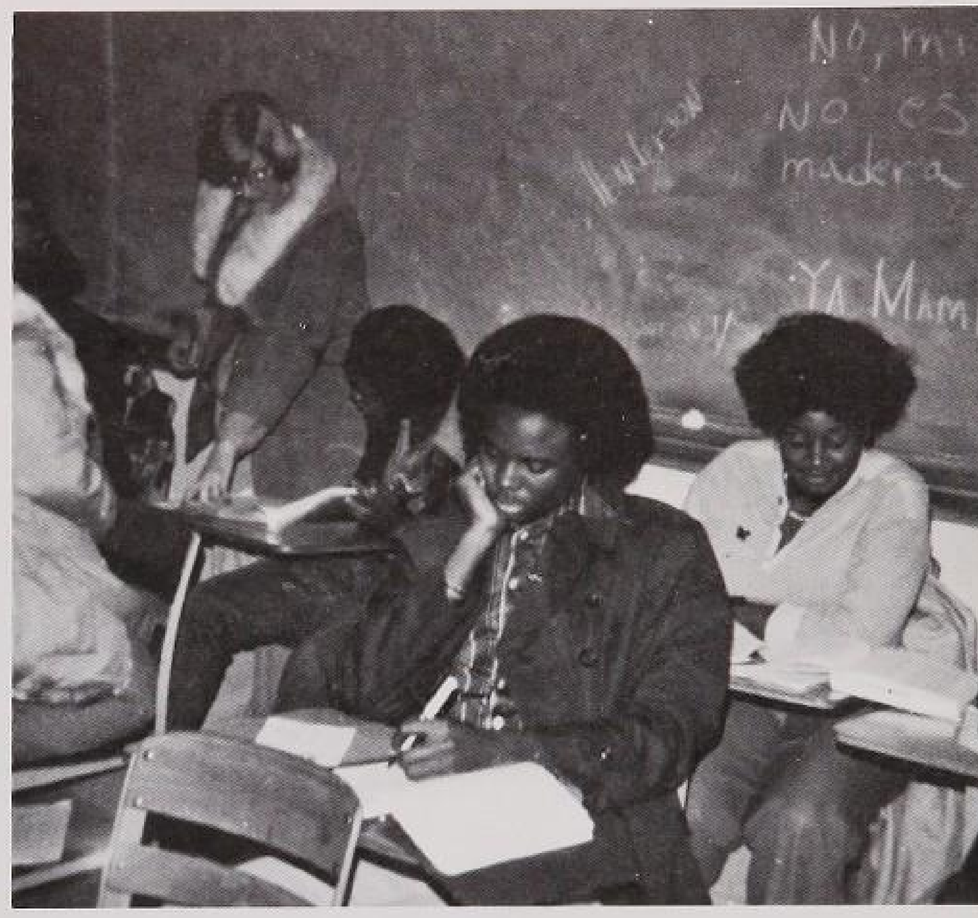

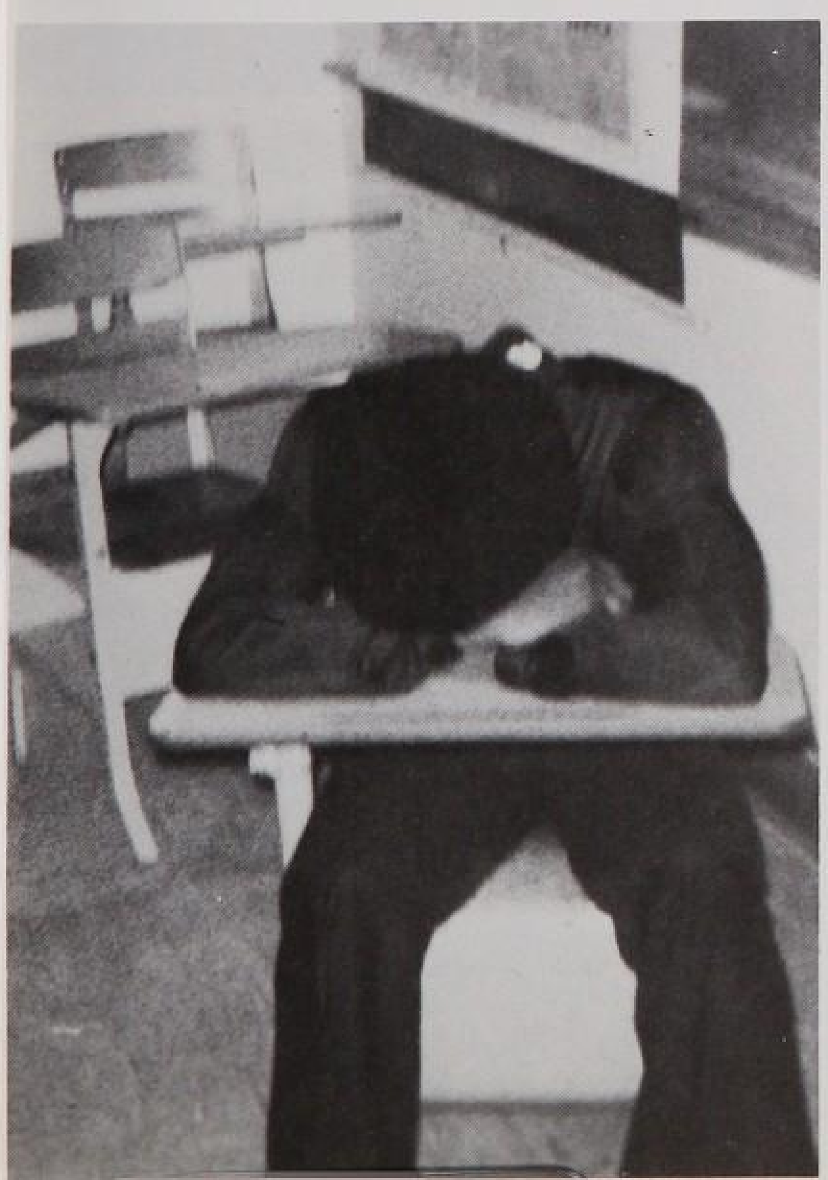

And Losing Against The Odds

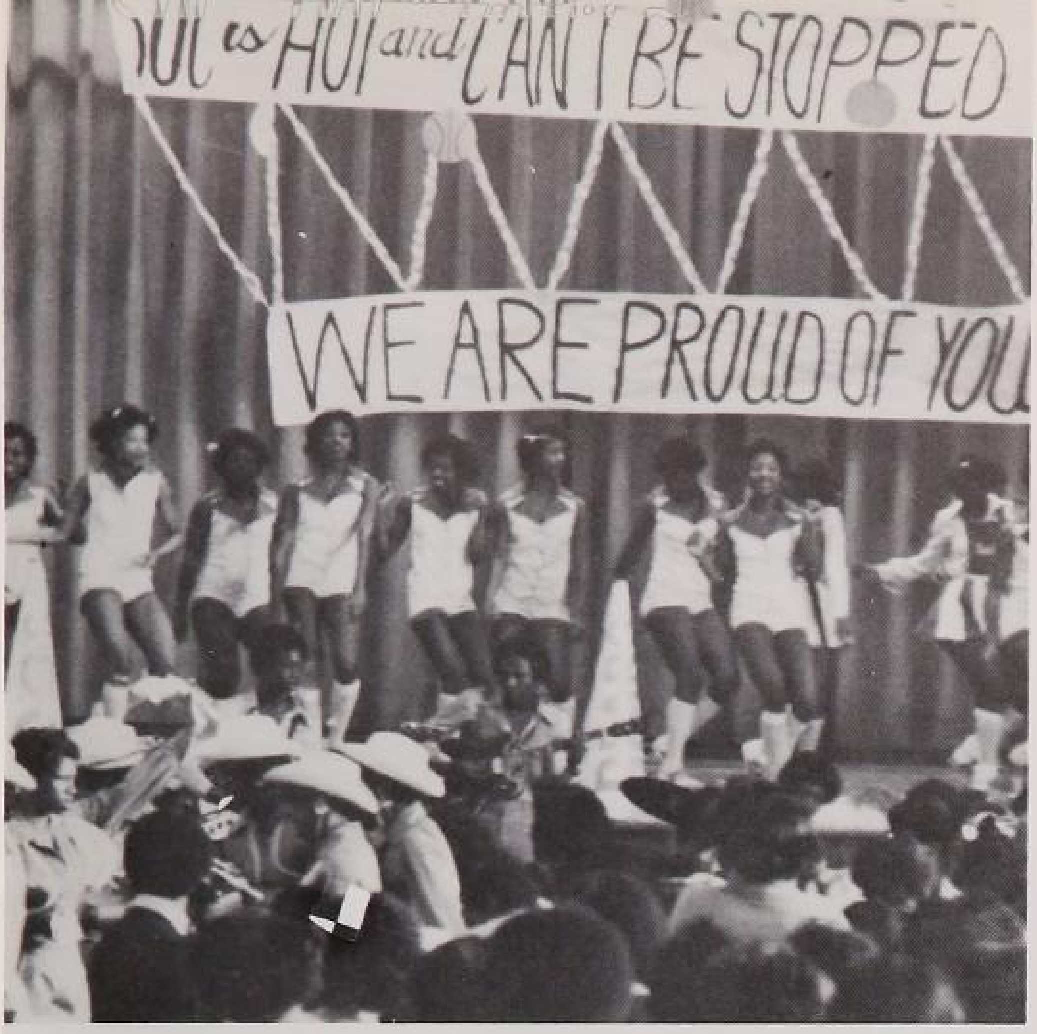

But Most Of All SOC Is People Growing, Learning, And Sharing Together

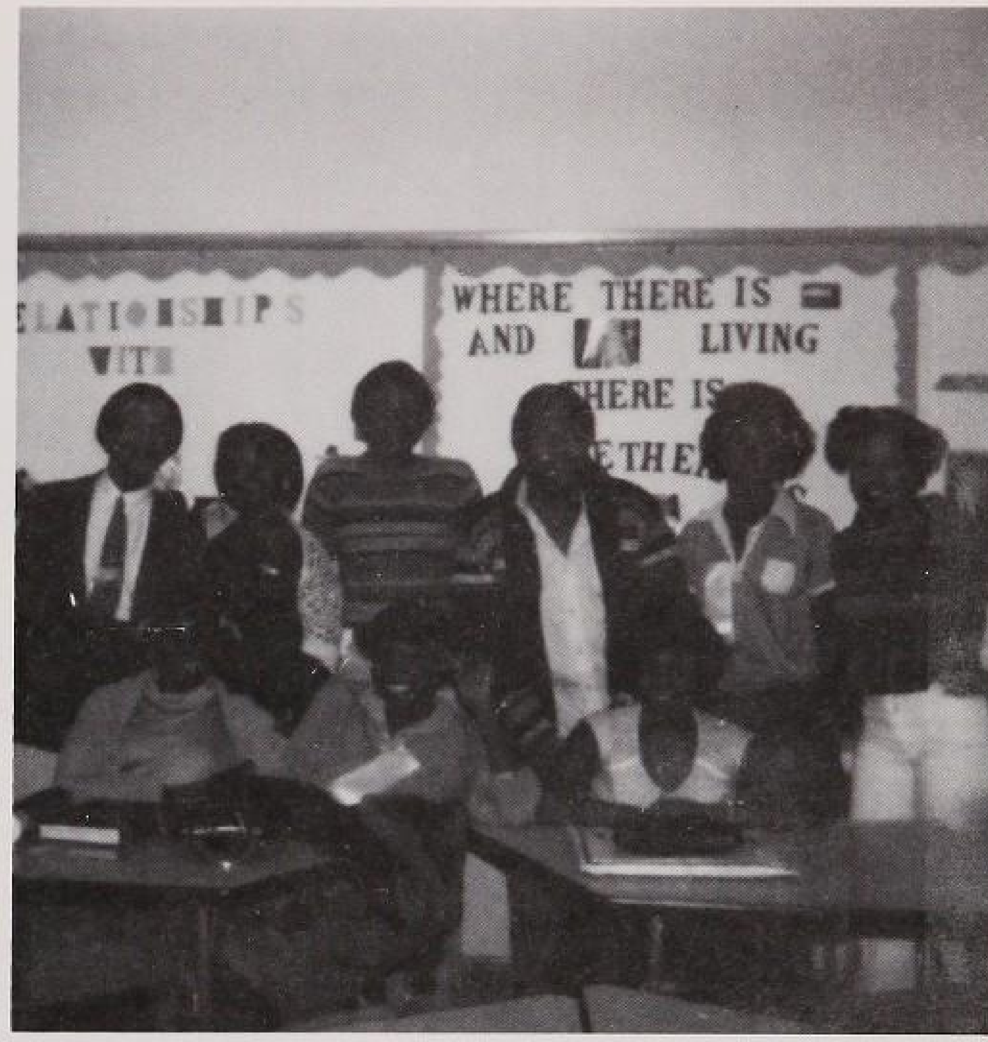

While Being What We Were Meant To Be The Almighty Golden Bears

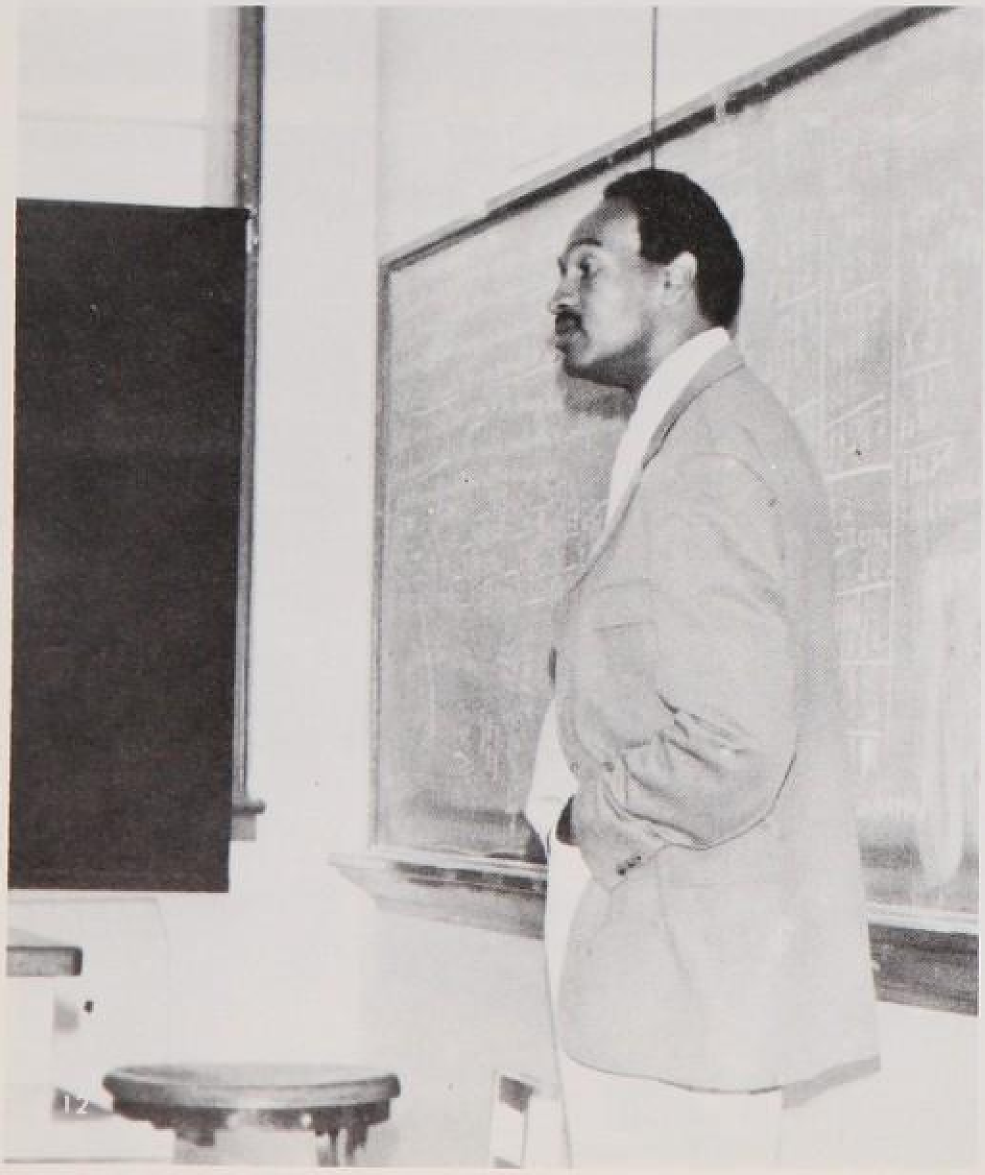

And Most Of All What We Dream To Be . . . #1.

DEDICATION

It is with fondest respect that we dedicate this issue of the DEN to one of the recently added members of the South Oak Cliff family, Associate Principal Charles Fisher. This fitting dedication goes to a man who has devoted many active years as an instructor, coach and principal to the development and growth of students throughout the Dallas Independent School District. Though he has only been a part of our family for a short period, he has honored us with the guidance of wisdom, the feeling of concern for all, and the vibrant charm that makes all appreciate his presence.

Mr. Charles Fisher has exhibited extreme leadership qualities. We all acknowledge the sincerity of his devotion, the merits of his labor and his contributions to the progress of South Oak Cliff High during the past year. Let this dedication be a heart felt tribute to one who has proven to be genuine in his total commitment in our educational experiences.

BOARD OF EDUCATION

FREDERICK D. TODD — PRINCIPAL

A CHANGING IMAGE — STRIVING FOR EDUCATIONAL EXCELLENCE

Congratulations to the South Oak Cliff Annual Staff and Sponsor of the 1979 *DEN*. We are indebted to you for depicting the year's events that represent our history. This is a worthy purpose necessary if we are to understand the past, appreciate the present and project into the future.

The 1979 edition of the *DEN* places emphasis on the student. The student is the most important person in the educational process. The factors enhancing the growth of students must be developed within our school. Each student must have a happy and profitable time in school. The *DEN* will allow each of you to relive your past pictorially in years to come. South Oak Cliff High School will be your cherished memories.

The challenge to become academically qualified in every respect is very clear. The quest for academic excellence must be preeminent in all your activities. This is the foundation of our educational system. The student leaders of today are tomorrow's leaders. We must be ready, willing and able to assume and accept this challenge.

The glorious heritage that we have must sustain and encourage us to accomplish high levels of excellence. The degree of excellence we obtain will determine how high we can climb. Knowledge is strength and strength is knowledge. South Oak Cliff High School will provide the best climate and instructional program possible to attain this goal.

The Annual Staff and Sponsor Ms. C. Y. Walker are to be commended for recording our school activities for generations to come. May you find them pleasant, enjoyable and informative.

By Carol Wayne

Class Poem

All Honors to South Oak Cliff
Hats off to you
For we are the Golden Bears
Ever striving to be true
Our colors are worn with pride
Honors to Gold and White
So hail to thee dear South Oak Cliff
All hail Gold and White

By Jeffrey Hall

Class Song

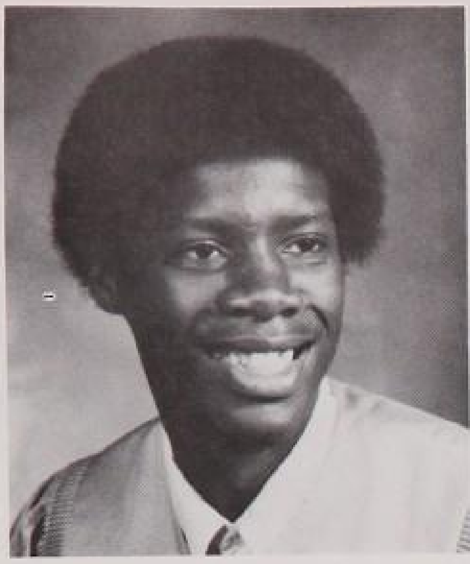

I May Never Pass This Way Again

I'll give my hand to those who cannot see
The sunshine and the falling rain.
I'll sing my song to cheer the weary along,
For I may never pass this way again.
I'll share my faith with every troubled heart,
So I shall not have lived in vain.
I'll give my hand, I'll sing my song,
I'll share my faith because I know
That the time is now
To fulfill each vow,
For I may never pass this way again.

SCIENCE STUDENTS ATTEND ANNUAL SCIENCE RECOGNITION DAY PROGRAM

South Oak Cliff High School representatives hear Southwestern Bell assistant vice president — switched services Art Miller explain telephone cable technology during the company's Science Recognition Day program held recently in Dallas. Attending were (left to right) Larry Ford, Letitia Jones, Dira Grace, Vivian Tinnard, Darryl Massey, Miller and science instructor Leon Brown. More than 300 top science students and their teachers heard Miller talk about the "plastic world" during the annual Science Recognition Day programs observing Alexander Graham Bell's birthday.

ANNUAL PIVOTEERS

Sponsor Nancy Jackson crowns Miss Pivoteer Margie Bullock.

MONTE and TAY

We, Monie and Tay, have reached the end of our journey at South Oak Cliff, and now we are ready to begin a new journey. We have many roads to choose from, each leading in a bright new direction. Hopefully the years spent at SOC will help each of us choose the right path that leads us to a happy and successful future.
